STAFF SPOTLIGHT

Our first spotlight will be on Leah Fritsche, Library Director. Leah has been with DPL for 19 years, starting as Asst. Director and stepping into the Director's office in 2012. Leah always wanted to be a librarian, from the time she was 8 years old and turned her bedroom into a mini-library, issuing cards to her family members. Leah loves reading, walking, camping and spending time with her husband, 3 boys, and dog Caspian.
